#### **PUBLIC PARTICIPATION:**

##### Written Comments:

Written public comments may be emailed to the Coastside Design Review Officer at [rpanglao@smcgov.org](mailto:rpanglao@smcgov.org) and should include the specific agenda item on which you are commenting, or note that your comment concerns an item that is not on the agenda. The length of the emailed comment should be commensurate with the five minutes customarily allowed for verbal comments, which is approximately 250-300 words. If your emailed comment is received at least 24 hours prior to the meeting, it will be made publicly available on the Coastside Design Review Committee website along with the agenda. To ensure your comment is received and read to the CDRC for the appropriate agenda item, please submit your email no less than 30 minutes prior to the meeting time. The County cannot guarantee that emails received less than 30 minutes before the meeting will be read during the meeting, but such emails will still be included in the administrative record of the meeting and will be provided to the CDRC after the meeting.

Applicants and members of the public are encouraged to submit materials to staff via email but must do so no less than 30 minutes in advance of a hearing. All materials (including but not limited to models, pictures, videos, etc.) presented by any person speaking on any item on the agenda are considered part of the administrative record for that item, and must be retained by the Design Review Officer until such time as all administrative appeals are exhausted and the time for legal challenge to a decision on the item has passed. **DECISIONS AND APPEALS PROCESS:**

The Coastside Design Review Committee will make a decision when design review is the only application being considered, or make a recommendation to a different decision maker when additional planning applications are associated with the project (e.g., use permit, grading permit, etc.). Decision rulings for a project are appealable to the Planning Commission. Appeals must be filed no later than ten (10) business days following the decision at the San Mateo County Planning Counter (address listed above). If the Planning Counter is still closed during the appeal period due to the COVID-19 emergency, please complete the applicable forms and forward them to the project planner. They will coordinate with you regarding the payment of the appeal fee at that time. Appeal application forms are available online. The appeal fee is \$616.35 which covers additional public noticing.
